

**SPECIFICATION AMENDMENTS:**

Amend paragraph 0038 as follows:

**[0038]** FIGS. 13(A) to 13(H) are diagrams showing states when the slide door is opened and closed in a vehicle construction adopting the rail of FIG. 12. Specifically, FIG. 13(A)-13(D) are schematic and views showing the door sequentially moving from the fully closed position in FIG. 13(A) to the fully open position in FIG. 13(D). FIGS. ~~13(E)-13(A)~~ 13(E)-13(H) correspond respectively to the positions of the door shown in FIG. 13(A)-13(D), but show the door from a top view.
